

Nutcracker

If you are attending Nutcracker audition on Saturday, please notify the desk ASAP.

We need to plan substitutes for classes.

Knowing how many students are NOT going to be in class on Saturday is crucial!!!!

Please respond by Wednesday!

Spirit Wear

We are taking orders for Studio spirit wear. This will deliver in time for Christmas. The order form is at the desk, attached to this email and on the studio website.

Parking and Drop Off

As you have noticed the traffic flow has changed at the studio. Thank you for your cooperation during this transition. Please remember to drive slow as you pull thru the pick up/drop off lane. Little dancers like to dart out the door and are slow to look for oncoming traffic.

COVER YOUR "TU-TU" UP!

Dancers please cover up. Dancers should not travel to and from the studio in leotards and tights, booty shorts and flip flops! Or worse in your dance shoes!

We as dancers need to practice a professional – modest image as we commute as well as while we dance. Please "Cover Up". Passing cars do not need to see your "cutie pootutie" as you walk down the street to the studio! Put on a pair of sweat pants and a sweater!

Not to mention you will stay healthier if you wrap up your warm, sweaty bodies as you leave.

NO DANCE SHOES OUTSIDE – it will ruin your shoes and drag dirt in to our clean dance rooms.

Birthday Parties

MCDA has the best parties to keep your birthday movin' and groovin'.

We set up, clean up and supply the paper products.

We can order pizza and most important we host a twirling good time.

Pick your dance theme; princess, hip-hop, theatre and we plan a dance, and activities to keep your birthday dancers smiling.

Call the studio today for more information. 😊

Medina Dance Supply

MDS is working hard to be the hometown supplier for dancewear and more here in Medina County. We have been serving dancers from other cities and schools.

Please be respectful of the customers that shop with us and DON'T dance here at MCDA. Use the studio lobby and desk to handle your dance class business. Also, please use the studio doors on the side of the building to enter and exit during dance class times.

Also note Studio hours are Monday – Thurs 3-8p.m. Friday by appt and Saturday 9-2. The store staff is not capable of taking payments or handling studio business outside these hours.

Not feeling so well....

We'll stay home... We love you not your germs. We make every effort to keep the studio clean and germ free, but if you are sick that won't make a difference.

Every day we have staff come in to dust, mop, disinfect and de-germ. (Over all good mommy clean.)

When you're feeling better - do a makeup class.
