I am interested in being considered for the following. I understand that this does not guarantee me a place/spot in these groups or pieces. I understand the director and/or choreographers will have final say as to placement. Remember every group you are in is a separate fee for competition (usually around \$30.00 each), and for costumes (\$75.00 each approx).

Guidelines/ Expectations

Commitment and Dedication are required of all members of the Trinity Dance Company. Below are the requirements of members.

All Company members are required to take a minimum of 2 Technique Classes. One Ballet and the 2nd can be Ballet, Modern, or Contemporary and 1 Jazz Class a week.

Members must attend all regular weekly rehearsal, schedule on Fridays and Saturdays, dates and times to be determined.

Fees and expenses are posted in the Trinity Dance Book. I have read and understand all materials in the Trinity Dance Book.

Each member will be responsible for proper shoes, tights, hair accessories. More information is in the Trinity Dance Book and details will be available as costuming is finished.

Members must be dedicated to attending all classes and rehearsals during the season. A strict absentee policy will be enforced. **Dancers, who miss pre performance rehearsal, may not be permitted to perform.** This decision is the sole discretion of the Company director and or Choreographer and will be made on an individual basis. **In the case of injury, a dancer will be placed back into the performance rotation when they are 100% healed. Directors and Choreographers will have final say in readiness to perform.** Just because a dancer is healed and feeling better, doesn't mean they are ready to jump back into dances. They will need to refine and rebuild strength, technique and performance skill lost during off time.

Members can not be in a performance capacity with any other dance troupe or performance company without prior written approval. (Participation in school related groups is excluded from this policy as long as scheduling does not present a problem.)

Dancers, and parents of dancers, must maintain appropriate behavior, good sportsmanship, and a positive attitude. Anything less will be grounds for dismissal from the company. Complete support and encouragement for all members and performance groups is expected. **All dancers and families** represent Trinity Dance and Medina Centre for Dance Art. You represent us everywhere and in everything, not just when you wear the purple warm ups and dance. Inappropriate conduct, gossip, bad mouthing (about dancers, choreographers, studio staff etc) negative attitudes, and poor behavior, will be grounds for discipline (i.e. dancers may be asked to sit out a performance) or removal from the company.

I accept full and sole responsibility for any personal injury or property damage which may result from my participation in the Trinity Dance Company and Medina Centre for Dance Art dance programs, whether under an instructor's supervision or on my own. I fully release The Medina Center for Dance Art, Kelly Parks, Scott Parks, owner of property and all staff, instructors, and choreographers from responsibility or liability for any such injury or damage. I will indemnify and hold harmless the persons released above from all claims and actions in any way related to my participation and I will not bring or cause to be brought any such claim or action against said persons.
