

In- House Photographer

- ✓ Can you see and capture the twinkle in their eye?
- ✓ Do you like working with kids?
- ✓ Can you translate movement into art?
- ✓ Are you willing to also do some mundane headshots and content work?

The MCDA team is the place for you to showcase your talents and contribute to our thriving studio programming.

Apply Today!

Job Responsibilities include:

- The In-House Photographer is responsible for capturing photos for all MCDA students prior to our three or four studio performances year.
- Capture photos at offsite events including community performances and recitals.
- Maintain current headshots and professional images for the MCDA staff, student assistants and some students and volunteers.
- In class content photos for marketing and public relations.
- Capture photos for special events and projects
- Manage all general editing and administration in the online galleries.

Medina Centre for Dance Art has been the lead dance educator in Medina County for over 20 years. This local dance school services 400+ students a year through its fantastic staff's hard work and leadership. As a leader in the Medina historic business district, MCDA is active, engaged, and supportive of the local community.

As In-House Photographer, you work closely with the owner/director and can expect to be involved in other projects or new ventures that lead to the growth of the business.

Competitive wages, some equipment provided. Hours and shifts can be negotiable.
