## Policies and Tuition Details

### Academy and Early Childhood - Student Programs 34-Week Session

- **10-Month Payment Plan Schedule: you will be charged 10% of the total tuition amount on the first of every month from August 1st through May 1st.**
- *The total amount shown in your Parent Portal is the amount for the whole season, not what is due at the time of registration. The total shown will decrease with every monthly payment.*
- *A \$25.00 registration fee (per family) is due at the time of registration.*
- *If you enroll late, your tuition will be prorated based on the whole season, not a month.*
- *This is **not** a monthly dance program. It is a 34-week program that runs from August 2023-May 2024. You are reserving a spot for **all 34 weeks** and are responsible for the entire tuition that is due. All missed classes can be made up in a comparable or lower-level class.*
- *Credits or Refunds will **not** be given for dropped or missed classes.*
- *If you are dismissed for un-sportsman like behavior by the dancer or parent, no Refund or Credit will be given.*
- *In cases of moving or medical emergency, credit may be given upon receipt of a doctor's certificate. Adjustments are made by number of classes taken vs. number of classes remaining in the season. If a student needs to drop (i.e., illness or moving) written notification is required prior to the 5th of the month.*
- *Payments are due on the 1st and will be considered late after the 5th regardless of whether the studio is open or not. You may use the parent portal to make timely payments.*
- *Payments received after the due date (the 5th of the month) will automatically be charged a \$15.00 late fee.*
- *There will be a \$35.00 charge for all returned checks.*
- *A \$50.00 yearly administrative fee (per family) will be assessed for accounts not on autopay.*
- *We do not bill or send statements for monthly tuition, costume, or performance fees. **All fees will be posted to your Parent Portal.***
- *If space permits a student to enroll late, prorated tuition is calculated by the number of classes missed vs. number of classes remaining in the season (Not by the month).*

## Christmas and Spring/Summer Performances

Because dance is a performing art, it is important for students to have the opportunity to be on stage and build their confidence while performing for an audience and sharing their new skills. MCDA has two performances every year. There will always be a mandatory rehearsal day and two-three performances.

Younger dancers 3-6 years of age, **usually** only perform one day. All dancers are strongly encouraged to participate in recitals and performances. All students are automatically enrolled in our recital days at the time of registration. However, if for some special circumstance your dancer is unable to participate (wedding, religious event, mandatory school function, etc.), please notify the studio office in writing by the following deadlines:
